iTEP Hospitality Test

Better English for Better Service

Improved Hiring

iTEP, or International Test of English Proficiency, is a suite of English language assessment tools created by Boston Educational Services (BES) and trusted by hundreds of colleges and universities, major companies, and governments around the world.

The newest iTEP test is the iTEP Hospitality, which includes content specially tailored for the unique needs of the hospitality industry. iTEP Hospitality enables hotels, restaurants, cruise ships, and similar businesses to streamline their language proficiency assessment process and enhance the efficacy of their recruiting, placement, and internal promotion activities.

iTEP Hospitality can be easily administered by your staff on your premises and evaluates the skills used in your field: listening and speaking. The online test lasts 30 minutes, and is full of questions and vocabulary relevant to the hospitality industry and environment.

Try iTEP Hospitality Today!

BES invites you to try the iTEP Hospitality test and see why it is the best tool to ensure your hospitality staff can provide quality service in English. Speak with a member of our team today to ask for a complimentary test.
